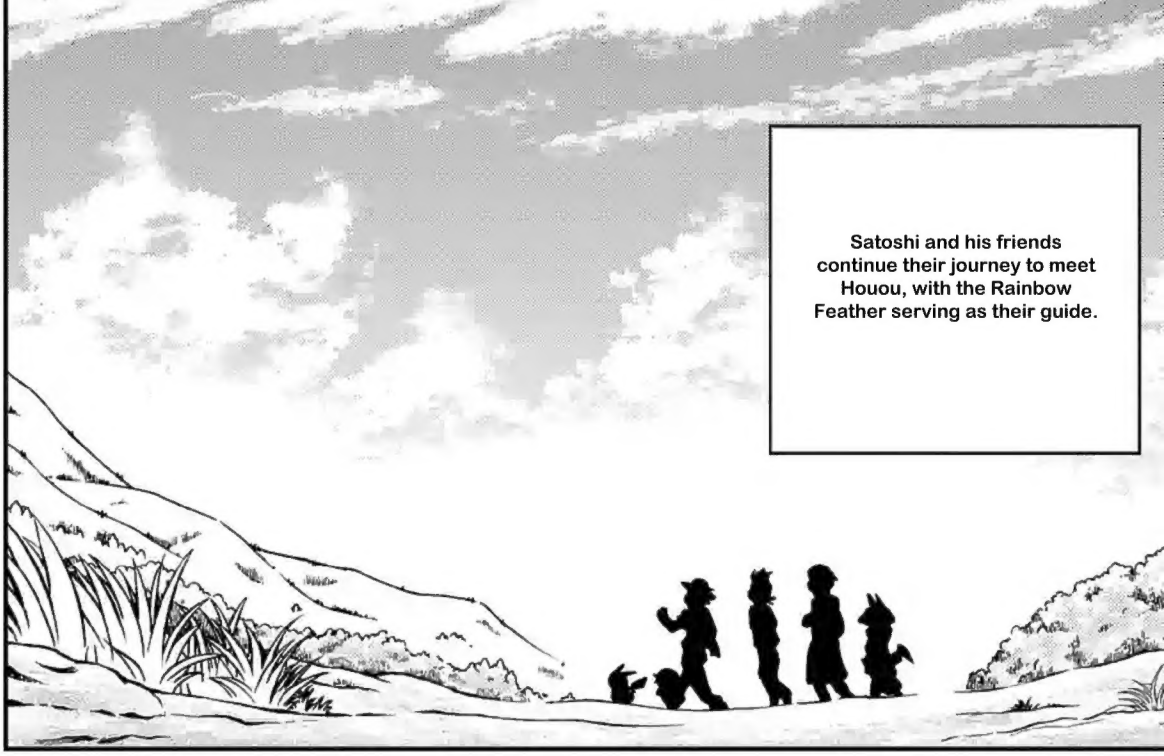
キミにきめた！ 第6話



Satoshi and his friends continue their journey to meet Houou, with the Rainbow Feather serving as their guide.

If we go all the way in this direction, where are we going to end up?

Luca!
Pika!
All right, guys, come on! I'm looking forward to meeting Houou!
Pocha!

And that might be where Houou lives?
We'll get to the Raizen Range, which consists of a long stretch of steep mountains.

Kai!!
Cater!!
Their current goal is the Raizen Range!
Great job, Caterpie, keep it up!
It's evolving!!
What?

Pikaa!
That's a Transel!!
じゃじゃーん!
The Kailios just ran away...
Ransel!
All right! Congratulations, Transel!

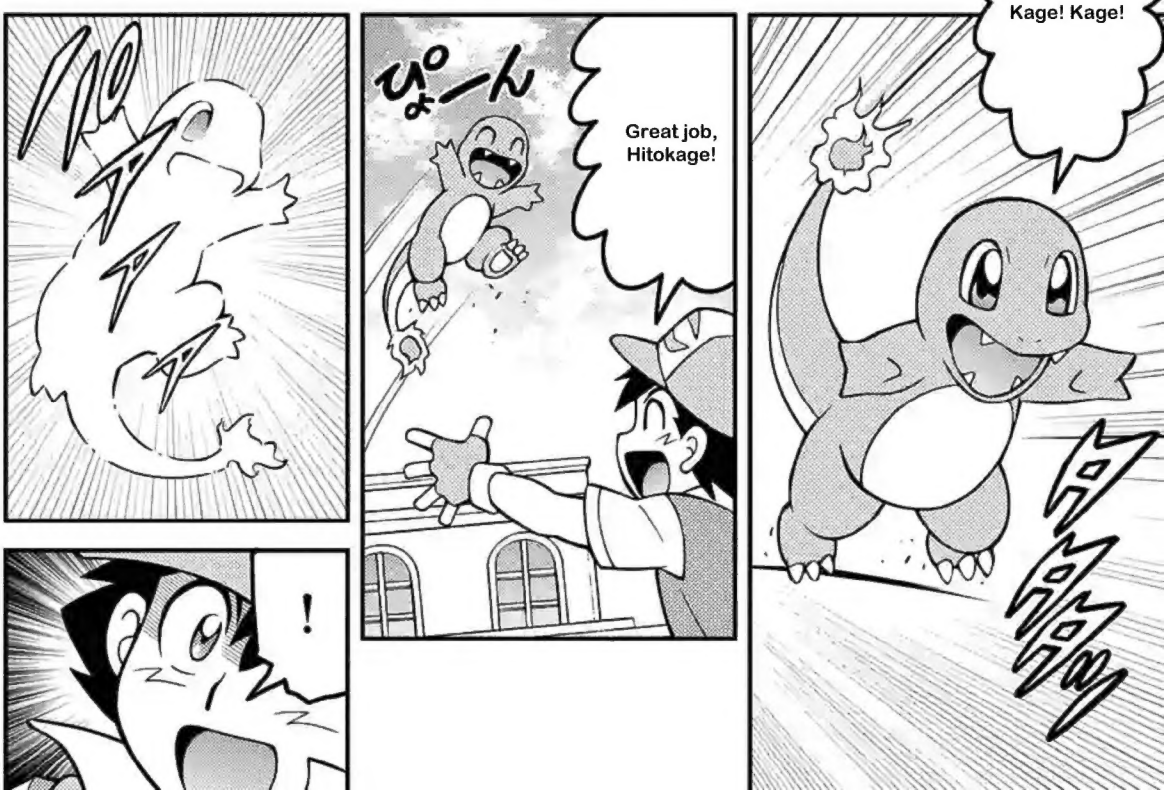
PURIN IS UNABLE TO BATTLE!



Kage! Kage!
ぴょーん
Great job, Hitokage!

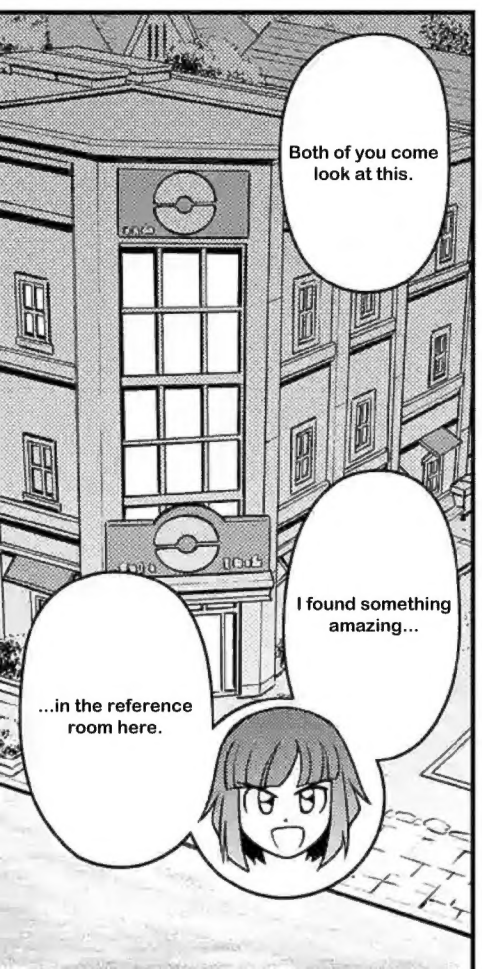
ビリリリ!
You've evolved into a Lizardo!!



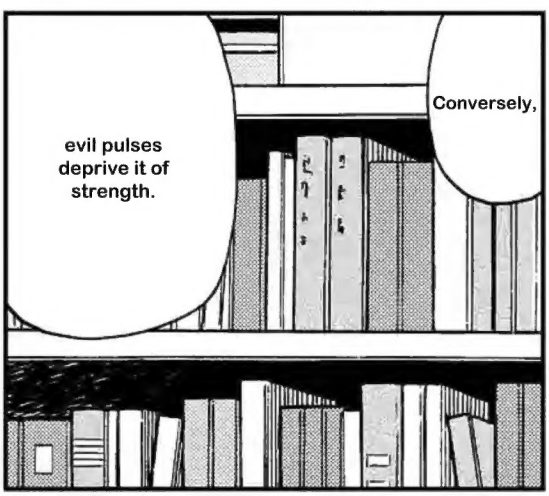
Both of you come look at this.
I found something amazing...
...in the reference room here.

Zardo, Zardo!
ギュー!
All right! This is awesome, Lizardo!

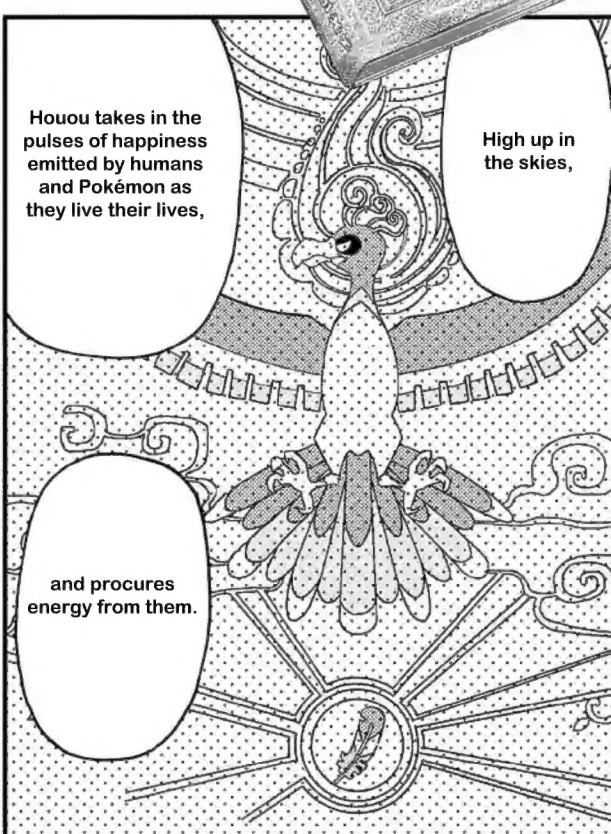
This is great.
Congratulations, Lizardo.

"My Life is Houou"?
What does it say?

It's the result of a very thorough examination of the legends of Houou.



Conversely,
evil pulses deprive it of strength.



High up in the skies,
Houou takes in the pulses of happiness emitted by humans and Pokémon as they live their lives,
and procures energy from them.

This legend is detailed in the book.

"Loses color"
.....
"A wicked soul"
.....
Then there's the Rainbow Feather.
When touched by a wicked soul, it loses color.
Guess my soul is fine, then...
Exactly.
Nobody's a simpler minded scatterbrain than me!
Well, it's not like a simpleminded scatterbrain like you...
...could ever have a wicked soul!
はははは
...wait!
HEY!!

The next day.
Pikachu, Iron Tail!
That did it!!
Pikaa!!

Pika Pika!
You did it, Pikachu! We're continuing to the next round!

SATOSHI-KUN WINS!
KABIGON IS UNABLE TO BATTLE!

All right, who's our next opponent?!

ジャリ

Me.

You're...!!

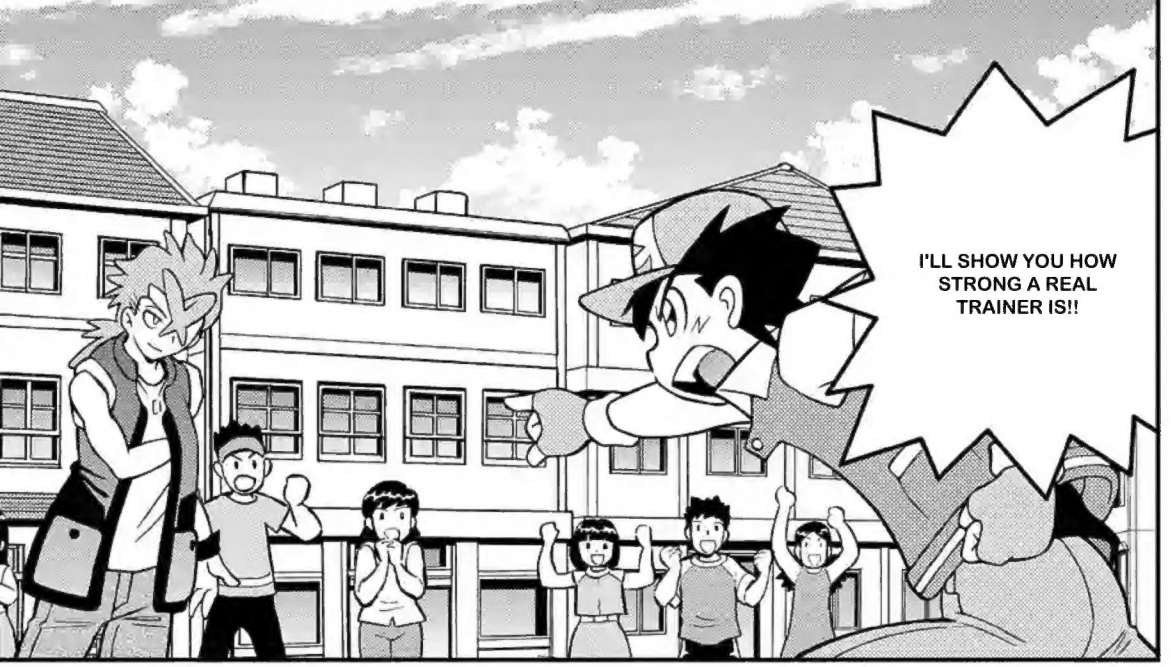
CROSS!!
You actually got that useless Hitokage, huh...?
So...
What?!
That guy's the Trainer that abandoned Hitokage!

THERE'S NO SUCH THING...
...AS A USELESS POKÉMON!!

COME OUT,
LIZARDO!!

LIZARDO!!

Still, a weakling stays weak even after they evolve.
So you've evolved, huh?
……!
Pokémon grow strong if they do as best as they can together with their Trainers!
That's not true at all!
Zardo...
How naive.
Heh...
Zardo!

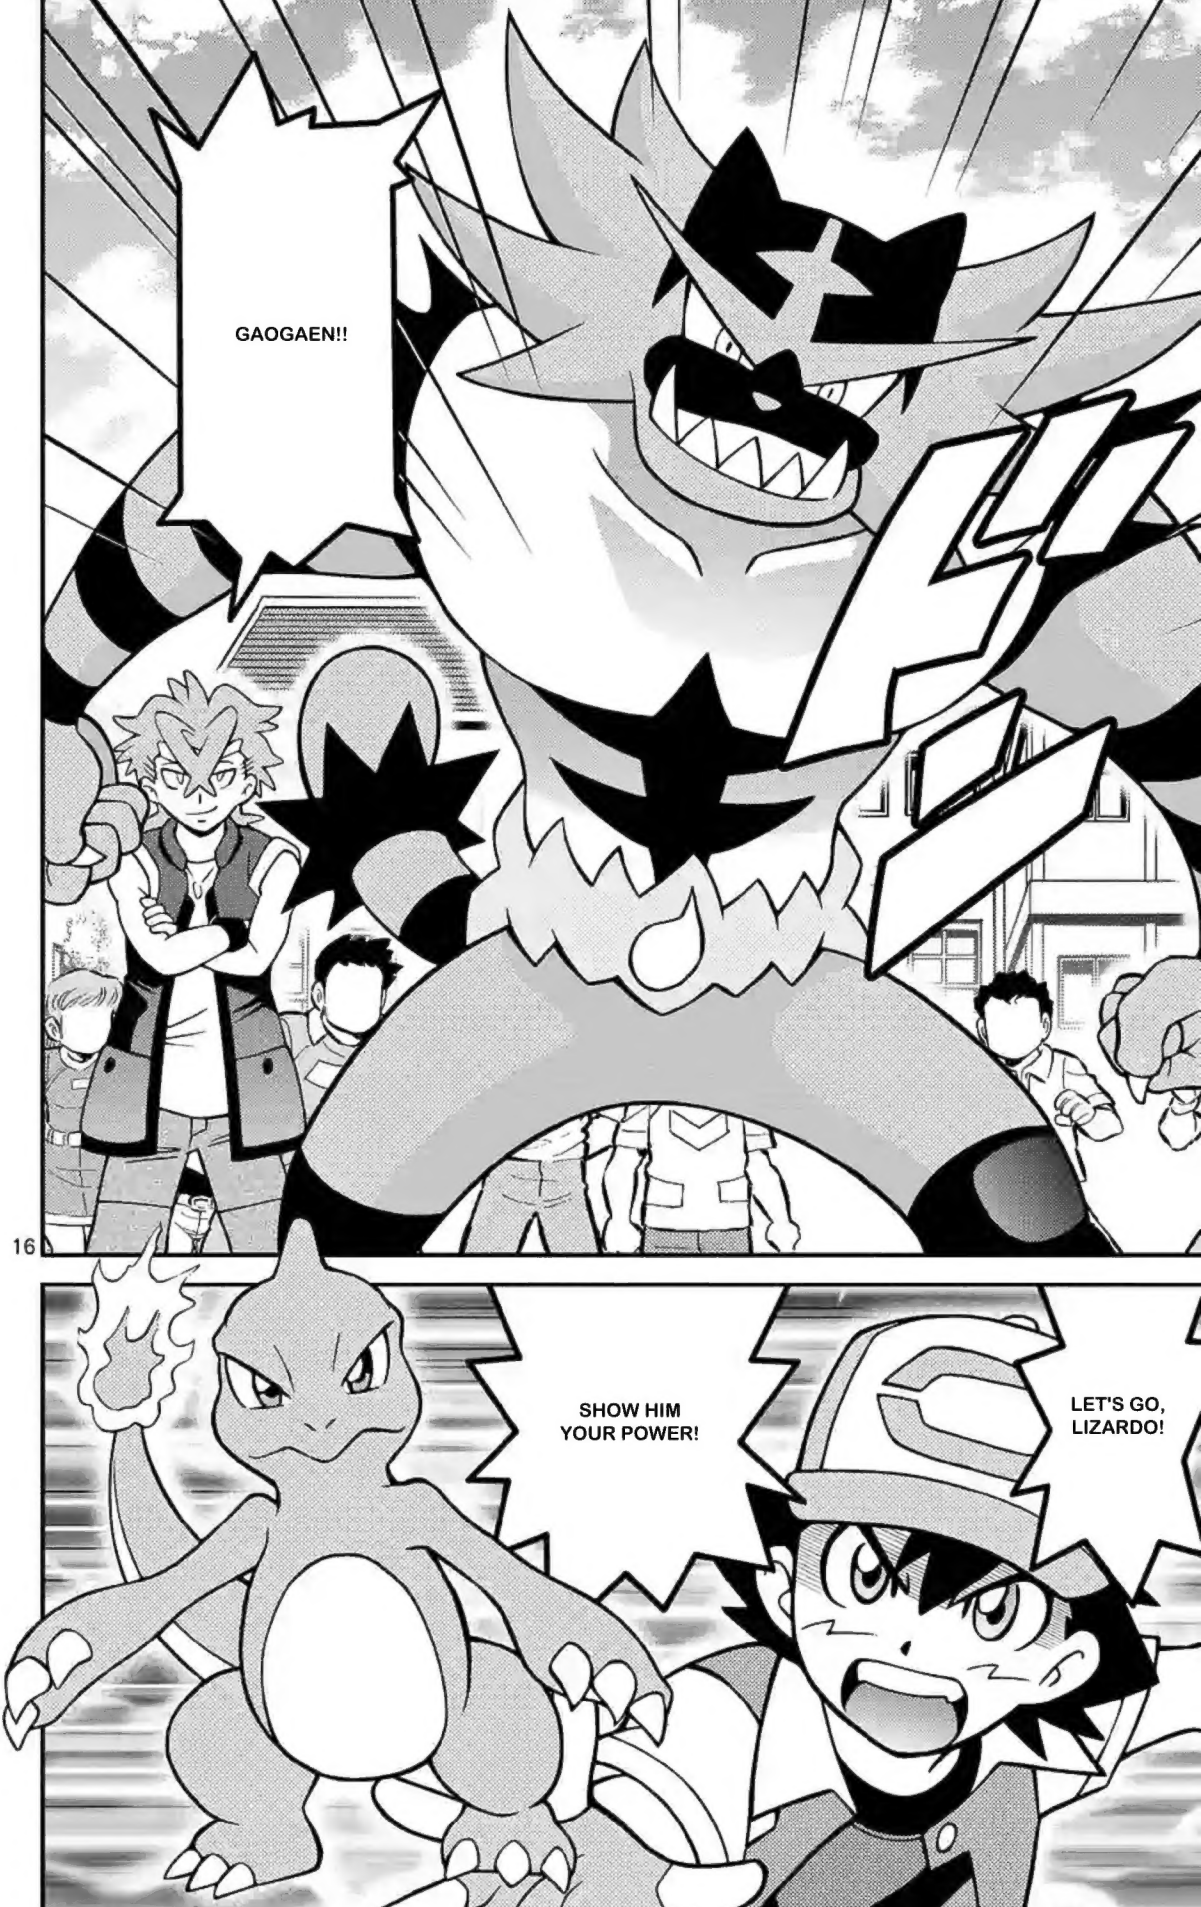


I'LL SHOW YOU HOW STRONG A REAL TRAINER IS!!

Heh...

THIS IS MY STRONGEST FIRE TYPE!!

COME OUT!



GAOGAEN!!
SHOW HIM YOUR POWER!
LET'S GO, LIZARDO!
